

## **Infinity Business Systems Named a Sustainable Business by the Earth Charter US Sustainable Business Coalition**

**Tampa, FL—February 19<sup>th</sup>, 2010**--Infinity Business Systems has been named a Sustainable Business by the Earth Charter US Sustainable Business Coalition (ECUS). Developed by Earth Charter US, the Sustainable Business Awards recognized 18 Bay Area businesses whose efforts have demonstrated sustainable business practices that embrace social, economic and environmental responsibility. It focuses on People (employee and community well-being), Planet (environmental health), and Profit (economic performance).

### **About Infinity Business Systems**

Infinity Business Systems is a leading provider of technology consulting and IT management solutions. Infinity's managed solutions offer clients the comfort of a monthly, fixed price solution with a service model based on preventative maintenance and rapid problem resolution across a client's entire IT infrastructure. Infinity clients focus on running their business instead of keeping their business running. Infinity's services include managed services, computer repair, IT consulting, network security, computer monitoring, remote help desk, and computer and network management.

### **About the Earth Charter US Sustainable Business Coalition**

The Earth Charter US Sustainable Business Coalition was founded in 2009 and the Steering Committee is composed of ECUS Sustainable Business Award winners for the purpose of developing a sustainable economy in the Tampa Bay Area. In partnership with the University of Tampa, the Coalition promotes sustainable businesses and offers networking opportunities and educational forums on sustainable business practices that align profitability with environmental and social responsibility.
